

AARO Stakeholders-

AARO is excited to share the details on our upcoming 1-day training sessions to be held in Denver, CO, the day before our annual spring conference.

We are offering both a "Case Studies for Investigators' AND 'A Regulator Training Course" on Thursday, May 2, at the Grand Hyatt. These courses are the further evolution of the beta versions presented in Seattle in May 2018.

Sessions will last for 7 hours and the cost is only \$150. This investment will include course materials, breaks and lunch. The courses will be run concurrently so it is not possible for a person to take both courses in Denver.

Due to the expected high demand for the very limited seating (50 per session), AARO is not confirming a seat reservation until payment is received, and no refunds will be offered. States can reserve (and pay) for a seat without a specific individual appointed on the registration form. Information on the primary contact person for that jurisdiction will be required. If you want to have additional registrations added to the wait list for available seats starting January 16, please let Brent know.

To offer this educational opportunity to as many Title XI jurisdictions as possible, we are allowing a maximum of 1 seat per jurisdiction, per course from now until January 15th. After that deadline, any available seats will be offered on a first come- first serve basis.

The attendance for the Case Studies for Investigators will be restricted to those who are actively involved in investigations in their jurisdiction.

Due to a limited number of hotel rooms at the Grand Hyatt, AARO reserves the right to re-locate those who are only attending the Thursday training and not attending the full spring conference to the Hyatt Regency. The Hyatt Regency is 2 blocks away from the Grand Hyatt and is offering the exact same rate.

Attached you will find the registration form with additional details.

If you have any questions, please reach out to me at the email or phone listed at the bottom of the registration form.

On behalf of the AARO Board of Directors, allow me to encourage you to reserve your 2 seats right away. We hope these courses are the first of many more educational programs to be offered by AARO in the coming years.

AARO Training Registration

Advance registration is limited to two (2) attendees per jurisdiction and further limited to one (1) attendee per course. A jurisdiction may reserve a seat for a training course, rather than provide a name so long as the registration fee is paid- enter "TBD" in the name field and include the primary jurisdiction contact information. After Jan 15, 2019, any remaining available seats will be offered on first come-first served basis – so reserve your 2 seats today!
