Developing the Next Generation of Appraisers
20% Less Today

Appraisers in 2007
Aging appraisal population - 60% are 51 and older
Delayed closings, loss of contracts, or increased APR
Increased costs to the borrower
Lack of appraisers in rural markets
New appraisers are not entering the profession
Potential appraisers work to obtain hours & trainee license.
Allow trainees to gain real world experience
Allow a licensed trainee to perform inspections without supervision
